

## Senior or Junior

# Business Consultant - Finance & IT

- Are you interested in **finance**, the financial markets and the asset management industry?
- Do you have a profound interest in **Information Technology**?
- Do you believe that you could contribute over time to our firm-wide expertise in financial software consulting?

We are looking for senior and junior consultants with a winning attitude and substantial education, experience and know-how in the field of Information Technology and Finance.

We work with systems like **SimCorp Dimension**, Thomson Portia, Advent Moxy, Charles River, and many other systems for the asset management industry. Experience from working with these products in projects or as a user, would be highly beneficial to your future work as a consultant at VPD.

In your profile, we require at least 3 out of 5:

1. Experience from one of the mentioned systems
2. Experience from working in implementation projects
3. Experience from the asset management industry
4. Competence in both IT and Finance
5. Willingness and ability to work in international projects

If your background includes substantial **professional experience** from the financial markets working with asset management systems, we would regard you as a senior consultant at VPD. As Senior Business Consultant you will be working in roles as project manager, system implementation, system management, studies, recommendations and other project work. As Junior Business Consultant, you will be given project roles that will build your consultant profile towards seniority and competence in the field.

Often the project role will be combined in terms of project management and operative tasks. On top of your skills, we also value your business mindedness, and your ability and willingness to support our demanding clients.

The work characteristics are **FREEDOM - COMPETENCE - REWARD**.

Join our team. Add value to our VPD Spirit and our overall ability to deliver powerful solutions to our clients.

Send your application or contact us for more information.
