

## **News**

**07-Mar-2005**

**VPD has decided to exhibit the flagship product VPD Risk & Performance at Technology Solutions for Asset Management (TSAM), 9<sup>th</sup> June 2005, the Brewery, London**

We welcome our current and prospective clients to our stand. You are welcome to get a glimpse at our flagship system for Asset Managers – VPD Risk & Performance. And we will present all modules at the event, and our STP-concept. Would you be interested in any specific information prior to the event, please do not hesitate to contact us.

For more information about the event as such, please visit [www.osneymedia.com](http://www.osneymedia.com)
