

19 January 2006

VPD is sponsoring the 9th Annual conference: Investing in Fixed Income for Nordic Market Players, held in Stockholm on 2-3 February 2006

The conference will "present the unique opportunities currently arising for fixed income investors in the Nordic region. Leading market players will examine the impact of new regulation on products design and investment strategy. Additionally, major institutional investors will explore structured products as well as other innovative fixed income instruments in order to help you implement optimal asset allocation strategies within your fund."

VPD is silver sponsor for this marcus evans conference in Stockholm on 2nd & 3rd February 2006.

Please come and visit VPD at our exhibition stand. We would be interested to discuss your requirements and thoughts in the area. Also, you may have a look at the fixed income side of our flagship product **VPD Risk & Performance** in a quick presentation/demonstration.

For more information about the event as such, please visit www.mefinance.com

For more information about **VPD Risk & Performance**, please contact info@vpd.biz

VPD

VPD is a leading provider of highly specialised software and financial know-how for the financial sector. For 20 years, VPD has developed its products in close collaboration with a number of international financial institutions. VPDs expertise is brought to clients - global asset managers and others - through Business Consulting, Development Consulting, and the flagship product VPD Risk & Performance.
