**Telge Kraft selects VPD as partner to enhance its power portfolio management and reporting services**

Telge Kraft is a leading provider of professional Portfolio Management Services in the Nordic region, with an annual turnover of some SEK 2.7 billion and 8 TWh. Telge Kraft's mission is to optimise clients' power portfolios. Together with selected local partners, Telge Kraft is able to supply electricity in the Nordic region to ensure that customers' needs are fulfilled with the very best quality.

Telge Kraft has signed an agreement with VPD who will provide services to further improve the portfolio management and client reporting capabilities.

"This area is highly prioritised by Telge Kraft and reflects our focus to provide ever better services to our clients with a high degree of flexibility and short lead times", says Mathias Kristiansson, head of IT. "We have chosen VPD because we get the whole package, from requirement specifications, project management and development to support and maintenance of our business-critical applications. VPD has industry knowledge and competence from the financial markets. They are thorough and the deliveries we get are of high quality."

"We are proud to support the business of this highly recognised power portfolio manager", says Johan Lundman, Managing Director at VPD Financial Software Consulting Limited. "This is a long term commitment, based on our ability to provide customised solutions, using our unique ability to build user-friendly applications with comprehensive reports, for advanced and complex portfolios."
